LB 138, 185, 237, 408, 426, 467, 492  
741, 775, 785, 786

the oversight has worked. We have sat down and negotiated out issues. Senator Warner said our role is negotiation. That is exactly right. We do negotiate. We are a third party. We can sit down and know what the other systems are doing and help negotiate out the differences of opinion. Unfortunately, that hasn't occurred in recent years. The system hasn't worked like it should in the last couple of years, but it is not the fault of the system because it worked previously. It is the fault of the people involved and that is the unfortunate truth of the matter. But now we are changing the system, and I think we are going to rue the day that we do that perhaps. Hopefully not. Maybe we will never even worry about it and that is probably what is going to happen, but in case we do, I just want to send this warning shot to let you know that there is a problem that I see brewing if we aren't careful and keep our retirement systems together with state oversight. So I would ask support for the amendment. I don't expect it but I will ask for it.

SPEAKER BARRETT: Thank you. The question is the adoption of the Wesely amendment. Those in favor vote aye, opposed nay. Have you all voted? Have you all voted if you care to vote? Record.

CLERK: 6 ayes, 14 nays, Mr. President, on adoption of the amendment.

SPEAKER BARRETT: Motion fails.

CLERK: I have nothing further on the bill, Mr. President.

SPEAKER BARRETT: Senator Moore.

SENATOR MOORE: I move we advance LB 408.

SPEAKER BARRETT: You heard the motion to advance LB 408. Those in favor say aye. Opposed no. The ayes have it. The motion carries. The bill is advanced. Anything for the record, Mr. Clerk?

CLERK: Yes, Mr. President, I do. I have an Attorney General's opinion. (Re: LB 185.) Judiciary gives notice of confirmation hearing. Senator Vard Johnson would like to print amendments to 467; Senator Warner to 775. Your Enrolling Clerk has presented to the Governor bills read on Final Reading earlier this afternoon, Mr. President. (Re: LB 785, 786, 138, 237, 426, 492, 741. See pages 2483-87 of the Legislative
